

DO IT RIGHT, THE FIRST TIME.

Radiant Marine Inc. founded by Captain Anand Nair in 2002, is based on the US Gulf Coast, and boasts an extensive network of associates across the East Coast of the U.S.A. With 17 years of sailing experience, and 17 years on-shore,

few can match our expertise. Even fewer can match our standards of quality or record of customer satisfaction.

So the next time you have precious cargo, call us, and we'll do it right the first time.
